When Clouds Villa, the Country House, opened its doors in December 2005, it soon established itself as a hallmark of relaxed fine living and understated style. Situated on the highest part of the Clouds Estate, the imposing Mediterranean style structure features five beautifully appointed bedrooms, all with full en-suite bathrooms and private balconies overlooking the magnificent views. Furniture was carefully and tastefully selected to compliment the natural flow and style of the villa, creating a peaceful ambiance to envelope guests from the moment they arrive. Without pretence or stuffiness, a true sense of welcoming is experienced in an environment of informal luxury.
